Dear Sirs -

Have you such a thing as an Egyptian Sarcophagus made of stone, that would be suitable for a dog for a young girl?

Perhaps you might have something else in the way of an Sarcophagus.

Yours very truly
Westcott Bailey

Dear Sirs- I have an old gold coin weighing 17 dwts. date 17--- that I would like to show you - It has a cross ✝ this shape on one side and some curious devices on the other which I cannot make out - Should judge it to be a Spanish coin.

If not too much trouble please step in when you are passing -

Yours truly
Westcott Bailey
